**Article 113. The use of unlicensed software**  
Imprisonment for the term of up to 2 years  
(The use of unlicensed software)

The first violation may not entail the criminal liability if the payment of the fine would be executed in connection with the law of loyalty to the people, on 1 March 2013. If repeated violations occur, the prosecution is inevitable.

To unlock the computer you are obliged to pay a fine of \$300.  
You must pay the fine through MoneyPak.

You have 48 hours to pay the fine. If the fine has not been paid, you will become the subject of criminal prosecution without the right to pay the fine. The Department for the Fight Against Cyberactivity will confiscate your computer and take You to Court.
