On a Hymn to Ammon. c Open Library i THEORETICAL THESIS COMPETITIVE EXAMINATION OF THE SCIENTIFIC PROGRAMMING IN NURSING. OM SPECIALISTS. THE INDIAN REGION: SPECIAL EXAMINATION IN ANCIENT INDIAN NURSING.. Paper presented at the: IV Congreso sobre Asignaturas en Enfermería I. Rome, Italy, 7-9. April 2006. in the nursing field is stimulated by the development of graduate courses of higher level. This paper analyses the literature of the last years on the subject of the research, arguing for the necessity of developing master programs of excellence. The paper is divided in three parts. In the first part, we present the historical and theoretical framework of the research. In the second part, we present the description of the master program of excellence in the Indian region of Italy and, last, the description of the research. Key words: knowledge, nursing, health, nursing research, master program, nursing research.....
